Honor Code/Release Statement

George Mason University shares the tradition of an honor system that has existed in Virginia since 1842. The Honor Code is an integral part of university life, and it is the student's responsibility to understand the provisions of the code. Attempted cheating, plagiarism, lying, and stealing constitute Honor Code violations. In the spirit of the code, students and faculty members must report all violations to the Honor Committee. The complete Honor Code can be found in the University Catalog.

I certify all information given on the application is true and correct, and I will read and accept the responsibility of the Honor Code if I am approved for admission to the School of Public Policy at George Mason University.
